Dear Sir:

You have already agreed to rent me the baseball park for Friday April 26th. I am writing at this time to ask you to rent it to me to play A Negro National League doubleheader on Sunday May 12th.also.

The Newark Eagles and The New York Black Yankees are scheduled to play each other that week, and we were trying to arrange the games in the southe, where it is a great deal warmer for night ball.

Will appreciate very much hearing from you as soon as possible as I cannot arrange the other games until I know where I will be that Sunday.

Very Truly Yours
